SUBJECT: MONITOR WELL CONSTRUCTION INVOICE
252-97-MW10-RW0
SUMMIT AVE. SUNOCO
1103 SUMMIT AVE., GREENSBORO
AMOUNT NOW DUE: \$390

Dear Sir:

The Guilford County Board of Health Rules and Regulations governing the construction and abandonment of monitoring and recovery wells under Section IV (B) states: "Monitoring and recovery well permits must be renewed every twelve (12) months from the date of initial issuance for so long as they remain in operation." Associated with the renewal of the permit is an annual fee. Renewal of the well permit fee for the referenced site is due **May 31, 2001**. Submit the fee listed above to the following address:

Guilford County Environmental Health
Attn: Sylvia Corum
1100 E. Wendover Avenue
Greensboro, NC 27405

If you feel that you have received this invoice in error, you must contact the undersigned at the letterhead address or directly at (336) 373-3771 immediately. Please also keep in mind that monitor/recovery well renewal payment is required regardless of the incident status of the above referenced site. Essentially, even if the site has been issued an NFA (No Further Action) letter; i.e. deemed closed by the NC DENR, you are still required to pay the annual renewal permit fee if the monitor and/or recovery wells have not been properly abandoned.

If you have been issued this invoice after the site has been deemed closed by the NC DENR and after you have properly abandoned the monitor and/or recovery wells onsite, please submit copies of the well abandonment records to the attention of the undersigned immediately so this error may be corrected. Please recall that monitor and/or recovery well abandonment's must be performed according to the rules and regulations outlined in NCAC 2P.

Please include this page of the letter with the site information along with the payment so that the proper permit gets credited. If you have any questions call me at (336) 373-3771.

Sincerely,

A handwritten signature in black ink, appearing to read "Cheryl", is written over the word "Sincerely,".
